- Develop and support relationships with local groups who are providing artistic and cultural opportunities for residents;
- Identify funding mechanisms to support art and cultural activities; and
- Integrate art into public spaces.

Purpose of the Grant Program:

The purpose of the Monmouth Arts and Culture Grant Program is to encourage and support arts-related activities and projects by individuals and non-profit organizations in Monmouth.

4. Only one application is allowed from an individual or organization during a grant cycle, although they may apply again next grant cycle.

Not Eligible: school districts, state & federal agencies, and for-profit organizations.

Eligible Projects:
